THE 1978 AYANTEE IS DEDICATED TO . . .

. . . an individual whose influence permeates all of A & T. Twice weekly the results of her guidance fall into the hands of students, faculty and administration, informing them of happenings at A & T. Few Aggies know of the role MRS. LORENO M. MARROW has played as English instructor and advisor to the A & T Register for the past twenty-six years.

The AYANTEE staff proudly dedicates this book to Mrs. Marrow and her contribution to North Carolina A & T State University.

I WISH

Stevie Wonder

*Looking back on when I
Was a little nappy headed boy
Then my only worry
Was for Christmas what would be my toy
Even though we sometimes
Would not get a thing
We were happy with the
Joy the day would bring*

*Sneaking out the back door
To hang out with those hoodlum friends of mine
Greeted at the back door
With boy thought I told you not to go outside
Tryin' your best to bring the
Water to your eyes
Thinkin' it might stop her
From whippin' your behind*

*I wish those days could come back once more
Why did those days ever have to go
I wish those days could come back once more
Why did those days ever have to go
Cause I love them so*

*Brother says he's tellin'
'Bout you playin' doctor with that girl
Just don't tell I'll give you
Anything you want in this whole wide world
Mama gives you money for Sunday School
You trade yours for candy after church is through*

*Smokin' cigarettes and writing something nasty on the wall (you nasty boy)
Teachers sends you to the principal's office down the hall
You grow up and learn that kinda thing ain't right
But while you were doin' it — it sure felt outta sight*

*I wish those days could come back once more
Why did those days ever have to go
I wish those days could come back once more
Why did those days ever have to go*

I WISH

I wish those days could . . .

*To float upon a breeze
As I sing a song of free
To live inside myself
I wish that this was me*

*To lean upon the sunlight
As it bounces on the water
To feel my life flow through me
I wish that this was me*

*To play among the flowers
As I weave my thoughts alone
To feel my hot blood racing
I wish that this was me*

*But I must not be flightly
I must be brave and strong
For to wish to be from nature
Is a good place to belong*

Still on the subject of class, this is one of the "classiest" rooms in Scott Hall.

I WISH the "Olde Aggie Spirit" would someday return. There is a nostalgic cloud bestowed over our campus. Many people feel the Aggie Spirit has gone down with the ages. It has gone down for those who have submitted, but not to the state that it can not be revived. We still possess the strong will, the determination, and the durability to stand up and say "I am an Aggie!" Our life can be embraced, shaped, and molded into the person which we wish to become. Do not walk in the path of your fellow Aggies but, make a new path and walk full stride. Please, do not lean on our fellow man for support for he does not want to be held back; do not ask of him favors, for he is going to be somebody; and do not seek existence in him for he lives alone. He has his pride but most of all, he has that "Olde Aggie Spirit."

once more ...*

The capacity to wish is the thing which gives us our greatest pleasure in life. Wishing is a simple act that gives many of us so much happiness.

Wishing is a process which involves wanting, desiring, and finally, getting. In order to really enjoy our materialistic values, it is obvious that a certain love for that object must exist. It has been said that we love those things that we worked hardest to acquire. If all we must do is just ask and receive the anxious, joyful pain of waiting and hoping is gone. Then, there would be no need to wish at all—and that is sad.

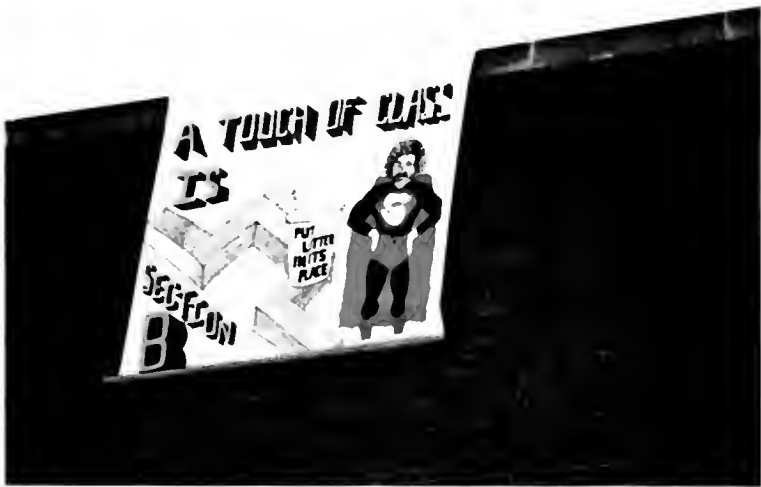

... Why did those days ever
have to go ...

When I WISH, people say, "why do you wish for that? It will never come true!" I smile and continue on my way. In my heart, I feel there is no limit to what can be wished for. I believe that one day, no matter how small or big my wish may be, it will come true. I know somewhere up above there is an answer, someone who cares and is listening to me right now. When I can see doors opening, the bright sun beaming, flowers blooming, and hear fresh water flowing, my wish has come true . . . God has smiled upon me.

ENTERTAINMENT

Entertainment is a form of activity, that gives a person or group of persons pleasure of amusement. Eventually everything changes; time and people. As people change — so do their tastes. This is why we AGGIES, have chosen the following people and groups to appear on our campus. Strike up the band. Let the show begin . . .

MOTHER'S FINEST

MOTHER'S FINEST is one of the newest and hottest groups appearing on the musical scene. Their first hit "Dis Go This Way, Dis Go That Way", was a number one best seller on the record charts for several weeks. "On, Baby Love" and "Mickey's Monkey" are two of their most recent hits which they performed while at A & T State.

GREETINGS

On behalf of the North Carolina A&T State University faculty, staff, and Board of Trustees, I am pleased to congratulate you on the occasion of the publication of your annual University yearbook. As you know, the *Ayantee* is a very significant document, in that it contains sacred memories of some of the most pleasant and enduring experiences of your lifetime. The yearbook will become even more precious to you in later years, as you begin to reflect upon the meaning of these days which you now enjoy.

This has been a most challenging and progressive year for A&T State University, and our loyal and devoted students have played a major role in all that we have been able to achieve.

We here at the University face the future with extreme confidence. We wish for those students who are graduating, a pleasant journey into tomorrow, and we hope that they will leave a distinguishing Aggie mark on society. To those students who will be returning to the campus for additional study, we ask your continued support in making North Carolina A&T State University the finest educational institution in this nation.

Yours truly,

Lewis C. Dowdy

JUST THE BEGINNING

This year marks the beginning of North Carolina A & T football under the direction of Jim McKinley, one of the most respected young coaches in this country. Annually, the aggies are rated among the nation's top small college powers, but McKinley has added a dimension to the University already proven program by taking on NCCAA Division I schools and inter-sectional games with other top rated teams. Always among the best, A & T will continue to be exciting, entertaining and excellent.

WOMEN'S BASKETBALL ON THE MOVE

Participating in only its second full season on the intercollegiate level, the North Carolina A & T State University women's basketball team, under the guidance of Joyce Spruill, captured the attention of perennial state powers with its exciting brand of play.

The Aggies completed the 1976-77 campaign with impressive 19-4 overall record and a second place finish in the highly competitive NCAIW Division III. Spruill, who doubles as the Director for Women's Athletics, was so pleased with the program's progress that she decided to move to Division II status.

"I am very pleased with the progress we have made here at A & T in the past two years," Spruill said. "Much of the credit has to go to the high schools who are not putting greater emphasis on women's programs and especially basketball."

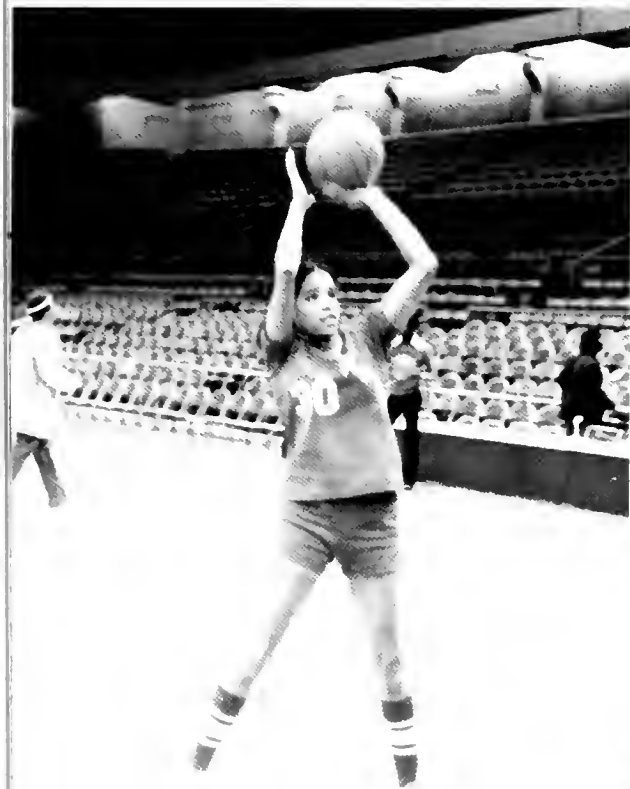

Returning for the 1977-78 season is 5-8 front court star Cheryl Armwood, who may be one of the best all-round players in the state. As a freshman last season, she averaged 12.8 points and pulled down 10.7 rebounds before a crippling injury just prior to the state championship playoff. Charlene Henderson is a 5-7 guard who brings excitement to the fans. Henderson averaged better than 13 points per game last season and like Arwood, is just a sophomore. Other top returners include guards Mamie Jones who has exploded into an offensive player as well as one of the best defensive players in the state, and Ivy Moody has given the Aggies the most consistent outside shooting this year. Her defense has increased even the past 3 years. She has contributed leadership to the team.

Spruill is also confident that Greensboro native, 6-2 LaVerne Williamson will provide much of the inside strength needed to play the center position, Deborah Williams 6-1 from Gastonia, and Michelle Blanding 5-8 Freshmen from Kingstree, S.C. has given the Aggies more outside shooting and rebounding power.

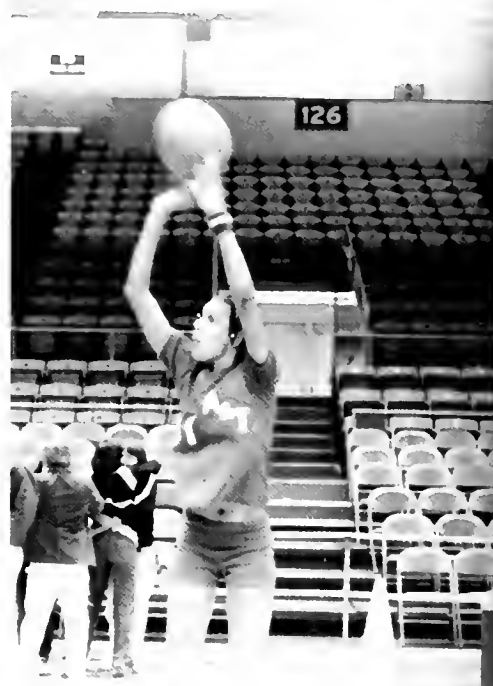

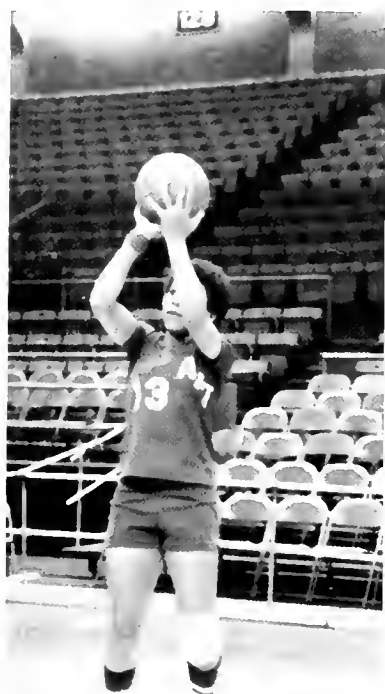

"We will be playing a much tougher schedule this season with opponents like Wake Forest, South Carolina State, University of North Carolina-Greensboro, and High Point College," Spruill said.

Quote—

"In looking back amongst the years when I first stepped on A&T's campus, I can't begin to fully appreciate how much of an honor it is to be a part of the North Carolina A&T State University Chapter. Once you've met an Aggie, there will not be another, since you've been on Aggie you've just encountered an eternal membership, and once you've been at the Aggie home you can always go back again. In taking a brief moment, my thank you's are extended to all of you for your friendship and support. Moreover, my deepest appreciation lies in my heart for you allowing me to bestow the honor of representing you as your Miss North Carolina A&T State University."

IN MEMORY OF OUR

Dr. Artis Paris Graves

Dr. Artis Paris Graves, Chairman of the Department of Biology at North Carolina A. & T. State University for 27 years, died August 11, 1977. He had retired from the University, June 30, 1977.

He was born September 23, 1907, in Hiawatha, West Virginia, the third son of Mr. and Mrs. Peter Graves.

Dr. Graves was a successful college athlete at Bluefield State College, Bluefield, West Virginia, then he earned the Ph.D. degree in Embryology from the State University of Iowa, Iowa City, Iowa.

After earning this degree, he gave up a successful football coaching career to become a dedicated teacher and administrator.

During his tenure at A. & T., the Biology faculty increased from four members to fourteen, and the number of biology majors increased from 75 to more than 300. It is estimated over the years Dr. Graves taught more than 2,300 biology majors at A. & T.

Dr. Graves was an avid researcher in science. He was able to publish many articles in scientific journals and periodicals.

Dr. Graves was an inspiration to his students in the classroom, laboratories, as well as, in out of class scholarly pursuits. Having been an All American athlete and a National Championship Football Coach, he continued his interest in athletics and outdoor sports.

Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live:

St. John 11:25

DILIGENT AGGIES

Andrew W. Williams

Andrew W. Williams, Chairman of the Department of Industrial Technology at A. and T. State University and a nationally prominent industrial education teacher, died in his home after a lengthy illness. A certified manufacturing engineer, he was the husband of Mrs. Jacqueline M. Williams and the father of Joseph A. Williams, assistant district attorney of Guilford County.

Williams began teaching at A. and T. in 1948 while a student at the university. In 1973, he won the international award given by the American Society of Manufacturing Engineers for his work in manufacturing engineering.

A native of Gastonia, Williams held the bachelor's and master's degrees from A. and T.

He served in the U.S. Navy in World War II and was a member of Omega Psi Phi Fraternity, the Greensboro Board of Heating Examiners, the American Society for Testing and Materials, the National Association of Industrial Technology and the Defense Preparedness Association. He was a deacon of St. James Presbyterian Church.

Besides his wife and son here, he is survived by another son, Warren K. Williams, Cincinnati, Ohio; and a daughter, Mrs. J. Veronica Biggins, Atlanta.

Jacqueline Jacobs

Jacqueline Jacobs was born in New York, Pennsylvania. When her mother died, she moved to Moncure, North Carolina. This is where she attended elementary and high school.

At North Wood-Pittsboro High School, Miss Jacobs was a bus driver, Sunday school leader, treasurer of the future Homemakers of America, and the Most Outstanding Senior of the National Honor Society.

Miss Jacobs was pursuing an education in Accounting here at A. and T. State University. She was a member of the Accounting club, the North Carolina Fellows Program and she worked at Burger King. She also attended Sunday School while being a student at A. and T.

Miss Jacobs was involved in an automobile accident on July 30, 1977 and she expired August 7, 1977. She was funeralized at Mount Baptist Church in Moncure on August 13, 1977.

EDITOR'S EPILOGUE

As the final deadlines are being met, I find myself loss for words in expressing the fun, the friendships, and the headaches that accompanied my editorship of the 1978 AYANTEE. It has been a task-fulfilling job and I have enjoyed the experience immensely. A year of continuous prediction is now over and we recall the hours, days, and nights of work as only a memory. Capturing significant emotions and experiences was one of the greatest challenges of my life.

I would like to thank STAFF: Theresa Peter Brown, Wesley Boykin, Boothe, Peggy Capehart, Evans, James Ferrell, liard, Melody Jones, Monroe, Charles Newman, Pugh, Marcia Purvis, Tate, Cynthia Woodard, Webb, William Watson, George Waddell.

My utmost thanks is ex advisor, who endured our swers to our many prob also goes to Dr. J. E. Mar Mrs. Maxine Davis, Mr. Wright, Mrs. Carolyn drum, Mr. James Flack, special thank you to Joe Decatur, who served us as not only a sales representative of Delmar Company but as a true friend to the staff.

In the 1978 AYANTEE we have tried to create and to capture the essence of student life. We hope that as you reminisce through this annual, it will be a pleasurable experience. Thank you very much.

the entire AYANTEE son, James Archer, Denise Carlton, Bryant, Jessena Marcus Dukes, Marcus Joseph Grimes, Eric Gail-Denise Littlejohn, Angela Patricia Owens, Mary Lewis Ramseur, Glenda James Wood, Dorothy Gilford Watson, and

tended to Mitzi Bond, our mistakes and provided an- lems. Deepest appreciation shall, Mr. Matthew King, Joseph Faust, Mr. James Crocker, Mrs. Helen Wal- Mr. Willima Mock, and a
